o Know What You are Taking When Using Catarrh Medicines.

Catarrh is the short route to consumption, and the importance of early and judicious treatment of catarrh, whether located in the head, throat or bronchial tubes, cannot be too strongly emphasized.

The tablet form is undoubtedly the most convenient and the most effective, but with nearly all advertised catarrh remedies it is almost entirely a matter of guess work as to what you are taking into your system, as the proprietors, while making all sorts of claims as to what their medicine will do, always keep it a close secret as to what they are.

Great Activity Expected After the Holidays - Holland Building Lease Is Sold-Blackwelder-Holbrook Incorporated.

The inclement weather of the past week had a depressing effect on the real estate market. Aside from the sale of the southwest corner of Seventh street and Lucas avenue, and the trustee's ruction of the leasehold on the Holland building, no deals of especial importance were reported.

"All West End deals are at a standstill." said a well-informed dealer yesterdar, "because it has been impossible to get customers out to look at property in such blizzards as we have been experiencing.
And no one will buy vacant lots when there is snow on the ground. The big deals down town cannot be consummated until after.

New Year's Day, because the men of means who would supply a new shocking up. who could purchase are now checking up their accounts and settling their business of the past year. For that reason little trad-ing can be expected during the next ten days."

Three leases were closed on Washington avenue. The building in course of construction on the site of the old Liggett & Myers Tobacco Company's offices, at Nor. 1234 and 1225 Washington avenue, has been leased for a term of years to the Tenrent Shoe Company, now located at Niath and Washington avenue. The Mercantile Trust Company report another week of substantial developments in its real estate department, especially in the way of downtown leases. This company leased the modern eight-story building. Nos. i224 and 1225 Washington avenue, to the Tennent Shoe Company, for a long term of years. The building is now in the course of erection, and will be one of the handsomest and most imposing wholesale houses on Washington avenue. ## Too Much Holiday Fun and Folly

Too much of a good thing! That's what we are all liable to take during a holiday season. Healthy, jolly people will do it and make themselves sick. "In time of peace prepare for war," and have about the house a pleasant, perfect, palatable, positive medicine for sour stomach, sick headache, colic, winds, belching, biliousness, furred tongue, lazy liver, constipation, bad breath, bad taste, all liable to result from holiday over-indulgence. Cascarets Candy Cathartic is what you want; a tablet after a big meal will prevent sickness, or a tablet at night before going to bed, after a good time, will fix you all right for morning, and let you get up clear as a bell, ready for business or pleasure.
